The first club following a name indicates where letters may be sent.

Club abbreviations, not included in the above list, refer to New York, Washington, Philadelphia, Boston, Providence, St. Louis, Pittsburgh, Cleveland, Cincinnati, Dayton, St. Paul, Minneapolis, San Francisco, Seattle, Portland, Southern California, Baltimore, Buffalo, Detroit, New Orleans, or Southern Cities Clubs, to distinguish which is added respectively the letters *n*, *w*, *p*, *b*, *pv*, *sl*, *pt*, *cl*, *cn*, *dy*, *sp*, *m*, *sf*, *st*, *pr*, *sc*, *bl*, *bf*, *d*, *no*, or *so*.

So 13 ^{Dilatory}_{omitted} And Locater Insure Accuracy
1922

Social Registers of each city are issued in November and their accuracy is maintained throughout the year by means of ^{Dilatory}_{omitted} in December, January and March; and by the Summer Social Register, in July, with country and foreign addresses of all the cities combined.

They record the full names and addresses of members of prominent families grouped together, the clubs to which they belong, and the marriage and death of each person as it may occur.

Names of Juniors { ^{Misses} 12 to 17 } appear under the names of { ^{Mrs} 14 to 20 } older members of their families.

The Locater cataloguing in one alphabetical order every name in all the Social Registers with the family's head under which it may be found and the city in which the name appears, is essential, owing to the many inter-marriages among families in the various cities and constant changes from one city to another. Reference to the **Locater** shows at once under what city to look for any desired name and there all required information may be gleaned.

The names of ^{Married}_{aidens} who have married into families of other cities appear among the ^{Married}_{aidens} of their former city with their present married name and the city of their residence in italics.

The subscription is \$7.00 per annum for this city.

A subscription of \$50.00 will include all the issues for Chicago, New York, Washington, Philadelphia, Boston, Providence, St. Louis, Pittsburgh, Cleveland & Cincinnati & Dayton, St. Paul & Minneapolis, San Francisco, Seattle & Portland, Southern California, Baltimore, Buffalo, Detroit, New Orleans and Southern Cities from Richmond to Atlanta, and the Locater.

For \$9.00 the Locater is included with the year's subscription for any one city.

To insure the finding of a name in the Social Register look for it first in the Locater.
